Join us for the NURSING EXPERIENCE

Research College of Nursing, in partnership with Rockhurst University, is offering a unique experience for high school students interested in this health care field. For four days you will work with other high school students on laboratory experiments and group projects, and engage in exciting discussions on topics such as ethics in health care. You’ll receive hands-on experience in a college science laboratory instructed by full-time professors. You’ll learn about the expanding role of the nurse in modern health care and gain valuable skills to use in your academic and professional career.

For more information

Please call Kevin Roy at 816-501-4383 or 800-842-6776 or email kevin.roy@rockhurst.edu.
Get a head start on your nursing education in 2016. Through this program you will:

- See nursing as it really is, not as TV portrays it.
- Meet real nurses and have opportunities to ask them questions.
- Experience college-level courses and activities just like nursing school.
- Make friends with students from other schools who have similar interests.
- Receive superior instruction by outstanding faculty in classrooms and labs.
- Shadow a professional nurse at Research Medical Center during his/her shift.
- Learn specific nursing skills including blood pressures, assessing eyes and ears, and giving injections.
- Explore ethical and legal issues related to nursing and health care.
- Have a great time while exploring nursing careers and options.
- Participate in an interactive immersive experience in the brand new advanced technology simulation center, the Seelos Center.

Housing and Facilities
Participants stay in the Research Student Village adjacent to Research Medical Center with a counselor who is a current nursing student. Participants will have access to student facilities.

Educational instruction takes place at Research College of Nursing and laboratory experiences are at Rockhurst University. Meals will be provided by the Research Medical Center cafeteria and other caterers.

The cost is $275, which includes room, meals, recreational activities, instructional materials and equipment for you to keep.

Application Process
- Apply at rockhurst.edu/nursingcamp or send in the attached application, including a recommendation from your high school counselor and a transcript, by May 13, 2016.
- Acceptance is based on academic performance and completion of science and math courses.
- Following acceptance, we’ll send you a health status form to complete, which is due May 30, 2016.
- $275 fee is due May 30, 2016.

Scholarships
Scholarships are available from The Research Foundation, thanks to a grant from the R.A. Long Foundation.

For information or to apply for a scholarship, visit theresearchfoundationkc.org and click on “Programs” and then “Scholarships.” Select “Summer Nursing Experience Scholarships.”

Application for Summer NURSING EXPERIENCE
June 19-23, 2016

I want to apply for admission to the Research College of Nursing and Rockhurst University Summer Nursing Experience. I understand my acceptance will be based on high school courses completed in science and mathematics and overall high school performance.
